#### **Four residencies available**

#### **Møbelfabrikkens Ceramic workshop**

The ceramics workshop is set up in a large, bright factory hall in a former furniture factory in Nexø. The workshop is well equipped and comprises a total of four workshop spaces for the production of ceramics.

Møbelfabrikken has an accommodation area with rooms that share a kitchen and lounge.

#### **Technical facilities**

- 2 Scandia kilns, 50 liters electric top kilns. Max temp. 1300°C.
- 1 Scandia kiln, 300 liters electric kiln. Max temp. 1300°C.
- 1 Scandia kiln, 1500 liters, two-phase electric chamber kiln. Max temp. 1300°C.
- 2 Vacuum kneading machines.
- 2 Spray booths
- 4 Electric wheels
- Sheet roller
- Jigger jolly
- Clay tubs
- Filter press
- Extruder
- Glaze tub
- Sand grinder
- Well-appointed plaster room with plaster wheel, casting equipment, etc.

#### **Practical information**

- The facilities are designed for professional ceramic artists who work independently.
- The workshops are open 24 hours a day, all year round.
- The artists in residence must bring their own materials, which could potentially be jointly purchased with other artists in residence.
- Basic electricity and gas for firing the kilns will be provided by the residency, additional cost is to be charged on the basis of a meter reading.
- No workshop assistant is connected with the workshop, but a technical contact can be referred to.
- The workshop's equipment is covered by the general insurance terms and conditions, but this does not cover broken drill bits or ruined grinding discs for which the artist is personally liable. The insurance does not cover materials brought in to the workshop or the artist's own works of art.

**Other information**

Residents will be offered a private room in the accommodation area in conjunction with the workshops at Møbelfabrikken. The accommodation area shares a kitchen and lounge, and is also used as a hostel during summer season.

As a user of the workshop and accommodation, the artist is responsible for keeping the premises clean and in good condition and for cleaning them on departure.
